MOTION BY SUPERVISOR ZEV YAROSLAVSKY

October 19, 2010

In December 2009, this Board asked the Commission for Children and Families to work with the Probation Commission and review the current Probation Department processes for reviewing and reporting child fatalities. As a result, on October 14, 2010, the Commission issued a report containing several recommendations for a protocol for reporting probation youth fatalities to the Board of Supervisors.

I, THEREFORE, MOVE that the Probation Department analyze and consider the protocol in the Children's Commission report and report back to the Board within 30 days with a recommendation on whether to implement the Commission's proposed recommendations.
